From the Heart of the Pastor

Church Family,

As we step into the month of April, we are reminded of the power of intentionality. Every day, we make choices; how we spend our time, where we use our energy, and most importantly, how we share the love of Christ. Living intentionally means living with purpose, and there is no greater purpose than sharing the hope of the resurrection!

Easter is one of the best times to invite friends, neighbors, and family members to church. Many people are more open to attending a service during this season, and your simple invitation could be the very thing God uses to change a life. Let's be intentional about reaching out, extending invitations, and creating a warm and welcoming environment for all who walk through our doors.

In addition to our Easter Sunday service, we have a wonderful opportunity to bless the children in our church and community with our Children's Ministry Easter Egg Hunt on Saturday, April 19th. This is a fun-filled event that not only brings joy to children but also opens the door for families to experience the love of Christ through our church. I encourage you to invite families you know and help us make this a meaningful outreach.

Let's embrace this season with intentional hearts; worshipping, serving, and sharing the good news of Jesus. An intentional life is a purposeful life, and there's no greater purpose than pointing others to the risen Savior.

Looking forward to celebrating Easter with you!

Pastor Gary
